SUBJECT: SUICIDE (BURNING MYSELF TODAY)

Mr. Robert Fuller have sent me \$200 the cost for my Train R/Trip ticket to New York, he asked me to pack one bag and said that I will stay at the hotel for few days, and I have to testify against Sleitch Mohamed Almoayed.

He ignored my request to see my family, he doesn't care about mine & my family's lives. I have sent a fax to him (attached copy).

I will not going to New York, because if I refuse to testify while I am with them, they might put me in jail and might torture me inside the jail.

At the end this is the Reward from FBI for my cooperate with them for capturing the bad people who linked with AL-QAEDA.

Through your newspaper, I would like to tell all American people that I love them and I am proud to be a good friend for all American people, and I am asking them: DO YOU THINK WHAT FBI did to me is it FAIR OR UNFAIR.

TODAY MONDAY 11/15/04 I WILL SUICIDE my self I will BURN my body at UNEXPECTED Place. I will Call you before 10 minutes of burning my self.

Please Contact the Yemen Embassy to help my family and to send my dead body to my family, so, they can bury me with my father brother & Sister grave in Sana'a Yemen.
