Case # 2001-001152

Nature of Case: Homicide

Victim: Mary Province Marocchi
Sunrise Assisted Living Center
194 E. Lee St.
Warrenton, VA. 20186
DOB: 02-11-16
SSN: [REDACTED]

Suspect: Gerald J. Wood
Western States Hospital
Staunton, VA.
DOB: 10/07/47
SSN: [REDACTED]

On 5/29/2001 this detective appeared before the Fauquier County Grand Jury seeking an indictment for murder against Gerald J. Wood. This indictment was subsequently granted and a *capias* filed by the Commonwealth Attorneys Office. Mr. Jonathan Lynn contacted this detective and advised that he did not want the actual *capias* served on Mr. Wood because it could be possible to have counsel appointed to him without his being present. This course of action was preferred due to his unique medical condition and his current housing in Western States Hospital. It was agreed that the *capias* would be maintained in the case file and that the CAO would seek to have counsel appointed to Mr. Wood in his absence.

On 6/6/2001 This detective received written notification from the Commonwealth Attorneys Office that Ms. Decker of the Public Defender's Office had been appointed to serve as counsel for Mr. Wood and that she made a motion before the Fauquier County Circuit Court that Mr. Wood undergo a mental competency examination which was uncontested by the CAO. The motion was subsequently granted and the case has been continued until 7/23/2001. This information was subsequently relayed to Ms. Helen Iwanik, the daughter of the victim.

Based on the fact that Mr. Wood had been indicted by the Grand Jury and has been appointed counsel with motions before the court, this case will be closed even though the *capias* is still in the possession of this detective. This case will be closed by arrest of Mr. Wood for murder against Mary Marocchi.

Case Status: Closed by Adult Arrest.
