BLOCK A		BLOCK B	BLOCK C	BLOCK D	BLOCK E
<b>Asset and/or Income Source</b> Identify (a) each asset held for investment or production of income with a fair market value exceeding \$1,000 at the end of the reporting period, and (b) any other asset or source of income which generated more than \$200 in "unearned" income during the year. For rental property or land, provide an address. Provide full names of any mutual funds. For a self-directed IRA (i.e., one where you have the power to select the specific investments) provide information on each asset in the account that exceeds the reporting threshold and the income earned for the account. For an IRA or retirement plan that is not self-directed, name the institution holding the account and provide its value at the end of the reporting period. For an active business that is not publicly traded, in Block A state the nature of the business and its geographic location. For additional information, see instruction booklet for the reporting year.  Exclude: Your personal residence(s) (unless there is rental income); any debt owed to you by your spouse, or by your or your spouse's child, parent, or sibling; any deposits totaling \$5,000 or less in personal savings accounts; any financial interest in or income derived from U.S. Government retirement programs.  If you so choose, you may indicate that an asset or income source is that of your spouse (SP) or dependent child (DC) or is jointly held (JT), in the optional column on the far left.		<b>Year-End Value of Asset</b> at close of reporting year. If you use a valuation method other than fair market value, please specify the method used. If an asset was sold and is included only because it is generated income, the value should be "None."	<b>Type of Income</b> If other than one of the listed categories, specify the type of income by writing a brief description in this block. (For example: Partnership income or Farm Income)	<b>Amount of Income</b> For retirement plans or accounts that do not allow you to choose specific investments, you may write "NA" for income. For all other assets, indicate the category of income by checking the appropriate box below. Dividends, even if reinvested, should be listed as income.	<b>Transaction</b> Indicate if asset was purchased (P), sold (S), or exchanged (E) in reporting year.
