Dear Judicial Watch:

On January 20, 2006, you submitted to the United States Secret Service a Freedom of Information Act (FOIA) request for records "concerning, relating to, or reflecting . . . [a]ll White House visitor logs from January 1, 2001 to present that reflect the entries and exits of lobbyist Jack Abramoff from the White House."

Pursuant to the stipulation to which we voluntarily agreed, and without conceding that the documents constitute "agency records" under FOIA, we are providing you with the enclosed documents that are responsive to your FOIA request. No exemptions have been claimed, and no responsive documents or portions thereof have been withheld. In addition, please be advised that the enclosed documents were found as the result of a computer-generated query of electronic entry and exit logs for the White House Complex, and that the system does not differentiate between individuals with the same name.

Sincerely,

Justin M. Sandberg
