New York, NY 10022

Dear Mr. Greenberg:

I would appreciate the opportunity to schedule a meeting at a time that is convenient for you in order to discuss with you my vision for the Charles B. Rangel Center for Public Service.

The City College of New York will be home to the Center, whose purpose will be to train and educate the next generation of our nation's public servants. It is a personal dream of mine to see this Center at City College, which resides in my congressional district and where so many talented young men and women from the community have gotten an excellent education. As I'm sure you know, CCNY's mission is one of excellence and access and many of our nation's leaders from every ethnic, racial, and economic group have earned their degrees there.

I have asked City College of New York Vice President Shelly Butler to contact your office and arrange a time that is convenient for us to come together. I am eager for you to meet City College President Gregory H. Williams, a man who has overcome many obstacles to achieve success—as with so many CCNY graduates in the past and the present.

Thank you very much for your consideration.

Sincerely,

Charles B. Rangel
Member of Congress
