A suggestion about the issue we discussed last night..

I have a suggestion for an excellent lawyer that practices both in NJ & NY. He is a political heavy weight in NJ...If anyone can handle the case it would be Angelo...You can goggle him for a picture of his work...

Therefore, I would suggest a call to his office about discussing the case...for now I would ask not to identify me as the referral. His firm is part of our network of companies that we share business.
