

## Additional Dissenting Views of Representative Tom Barrett

Representative Barrett signs on to sections 1, 3(C), 3(D), 4, and 5, but not sections 2, 3(A), and 3(B), of the Minority dissenting views. In so doing, Representative Barrett notes that Articles of Impeachment I, II, and IV are based upon false and perjurious statements allegedly made by President Clinton (1) before a federal grand jury, (2) in the *Jones* deposition, and (3) in response to questions propounded by the Chairman of this Committee. The Majority party fails to state with particularity the words that constitute the allegedly false and perjurious statements, denying the President notice and opportunity to be heard consistent with traditional notions of fairness and due process. The Majority has, moreover, failed to establish the factual basis for these articles by clear and convincing evidence.
