

APPENDIX A

ADDITIONAL MISREPRESENTATIONS CONCERNING RESOLUTE'S PUTATIVE DESTRUCTIVE LOGGING PRACTICES

	Date	Author	Description	Statements
1.	3/27/2016	Greenpeace Canada	Website Publication: Boreal Forest: The Facts	"Focusing in on the state of intact forests in the Montagnes Blanches (White Mountains), where Resolute is the largest logging company, the findings are that over 50% of intact forest areas have either been lost or degraded between 2000 and 2012, an area of over one million hectares."
2.	3/23/2016	Amy Moas	Email to McGraw Hill	"Resolute Forest Products, a logging company at the heart of the controversy related to forest destruction in the Endangered Forests of Quebec and Ontario."
3.	3/23/2016	Amy Moas	Email to McGraw Hill	"Resolute's controversial logging [] threatens endangered species and old growth forests. . . ."
4.	10/13/2015	Richard Brooks	Tweet	"@3M acts for #forests, begins 2 eliminate destructive logger @resolutefp greenpeace.org/canada/en/blog... #tbay #onpoli[.]"
5.	8/31/2015	Amy Moas	Tweet	"Publisher @axelspringer_EN ditches unsustainable @resolutefp paper. Wants Canadian paper but less enviro controversy."
6.	8/17/2015	Richard Brooks	Tweet	"The Boreal can't defend itself against @Resolutefp's reckless logging. I'm taking a #StandForForests w @GreenpeaceCA standforforests.ca[.]"
7.	8/10/2015	Cristiane Mazzetti (Greenpeace Brazil)	Email to Grupo Folha (COMPUTER TRANSLATION)	"The company is engaged in the destruction and degradation of areas of great ecological and cultural importance in the Boreal Forest of Canada."
8.	7/21/2015	Daniel Brindis	Website Publication: Rite Aid: Still Making The Wrong Choice For Forests	"[T]he Canadian Boreal forest is at risk and RiteAid's paper supplier, Resolute, is making a bad situation worse."

APPENDIX A

ADDITIONAL MISREPRESENTATIONS CONCERNING RESOLUTE'S PUTATIVE DESTRUCTIVE LOGGING PRACTICES

	Date	Author	Description	Statements
9.	6/26/2015	Richard Brooks	Tweet	"The Boreal can't defend itself against @Resolutefp's reckless logging. I'm taking a #StandForForests w @GreenpeaceCA standforforests.ca[.]"
10.	5/15/2015	Catharine Grant	Email to Wausau Paper	"Destructive logging operations in Canada's 'Endangered Forests', contrasting starkly with Resolute's promise to manufacture sustainable products[.]"
11.	3/30/2015	Daniel Brindis	Email to Quad Graphics	"Resolute represents a controversial, high risk source for forest products, including paper and lumber. The company is involved in forest destruction and degradation in some of the most ecologically and culturally important areas of Canada's Boreal Forest."
12.	2/2/2015	Pat Venditti (Greenpeace UK)	Letter to DMG Media	"Resolute is involved in forest destruction and degradation in some of the most ecologically and culturally important areas of Canada's Boreal Forest."
13.	2/2/2015	Pat Venditti (Greenpeace UK)	Letter to Northern and Shell	"Resolute is involved in forest destruction and degradation in some of the most ecologically and culturally important areas of Canada's Boreal Forest."
14.	2/2/2015	Pat Venditti (Greenpeace UK)	Letter to Trinity Mirror plc	"Resolute is involved in forest destruction and degradation in some of the most ecologically and culturally important areas of Canada's Boreal Forest."
15.	12/22/2014	Joanna Kerr	Website Publication: Who's Been Naughty And Who's Been Nice To The Planet This Year	"Top of the Naughty List this year is paper company, Resolute Forest Products. This Grinch is stealing the Christmas trees of the wild, willfully razing ancient Boreal forests and bullying opponents. "
16.	11/26/2014	Amy Moas	Website Publication: Best Buy Is Wasting Ancient Forests,	"Best Buy is even sourcing this paper from controversial logging company Resolute Forest Products which is responsible for the destruction of vast swathes of Canadas [sic] Boreal Forest, degrading

48.	1/9/2013	Joanna Kerr	Letter to Seaman Paper	"Resolute has a record of unsustainable and irresponsible operations in Canada's Boreal Forest."

APPENDIX B

ADDITIONAL MISREPRESENTATIONS CONCERNING RESOLUTE’S PUTATIVE IMPACT ON CLIMATE CHANGE

	Date	Author	Description	Statements
1.	7/28/2015	Amy Moas	Website Publication: US pharmacy giant making wrong choice for the Boreal Forest	“[T]he Boreal is the world's largest carbon absorbing ecosystem, purifying the air you breathe and keeping the climate stable. . . . But in Canada, one force is cutting out the heart of the forest: destructive logging. A major player in this forest destruction is Resolute Forest Products[.]”
2.	7/27/2015	Amy Moas	Website Publication: Why Forests Are Critical For Public Health	“[T]he health of forests around the world - and with them the health of billions of people - is in jeopardy. The Canadian Boreal forest, for example, is one of the largest reservoirs of carbon in the world . . . [b]ut it is under threat from unsustainable logging [by] [o]ne company in particular, Resolute Forest Products.”
3.	7/21/2015	Amy Moas	Rite Aid: Still Making the Wrong Choice for Forests	“[Resolute Forest Products] is currently bad news for the largest remaining intact forest in North America, the Boreal. And that means bad news for the climate. . . .”
4.	2/26/2015	Shane Moffatt	Email to Midland Paper	“Greenpeace International has launched a petition urging Resolute CEO Richard Garneau to collaborate with Greenpeace to address these publically documented shortcomings, which are of enormous global significance. As you are aware, the Boreal Forest is a vast carbon storehouse”
5.	12/22/2014	Joanna Kerr	Website Publication: Who’s Been Naughty And Who’s Been Nice To The Planet This Year	“Without action to curb unsustainable practices like Resolute’s, Canada is on the road to worsening climate change and betraying the amazing biodiversity we hold in trust for the world.”

APPENDIX B

ADDITIONAL MISREPRESENTATIONS CONCERNING RESOLUTE’S PUTATIVE IMPACT ON CLIMATE CHANGE

	Date	Author	Description	Statements
6.	2/12/2014	Richard Brooks	Website Publication: The Guardian Tree: Where art and the forest come together	“The Boreal Forest plays a critical role in mitigating global climate change and holds some of the highest quantities of terrestrial carbon in the world an estimated 208 billion tonnes! That is why when it comes to protecting Canada’s forests we cannot be silent. Therefore, when a company like Resolute Forest Products (the largest logging company in Canada) puts the health of the Boreal Forest at risk with its destructive logging practices, Greenpeace calls for people to come together and help defend the forest”
7.	9/12/2013	Daniel Brindis	Letter to Canon U.S.A., Inc.	“Intact forest areas, like those found in the Montagnes Blanches . . . play a critical role in mitigating global climate change with their immense carbon reservoirs that store carbon from the atmosphere for hundreds of years . . . We ask you to urge Resolute to suspend their operations in Endangered Forests like the Montagnes Blanches”
8.	8/27/2013	Daniel Brindis	Letter to The F.P. Horak Company	“Intact forest areas, like those found in the Montagnes Blanches . . . play a critical role in mitigating global climate change with their immense carbon reservoirs and sinks that capture carbon from the atmosphere for hundreds of years . . . Resolute products (including its Ecopaque paper) sourced from the Montagnes Blanches and other Endangered Forest areas threaten the forest's ecological integrity, iconic species and community well-being”
9.	8/27/2013	Daniel Brindis	Letter to Perfection Press	“Intact forest areas, like those found in the Montagnes Blanches . . . play a critical role in mitigating global climate change with their immense carbon reservoirs and sinks that capture carbon from the atmosphere for hundreds of years . . . Resolute products (including its Ecopaque paper) sourced from the Montagnes Blanches and other Endangered Forest areas threaten the forest's ecological integrity, iconic species and community well-being”
