Subject: CAU backlog of NSLs

I have had a meeting with the head of CAU, Bassem Youssef, and he is comfortable with this arrangement. I'll contact him to make sure Lewis is on board, but the issue is legally, whether this is okay, and whether we can use our influence to help get it done, i.e. let the ops people know that they need to open up these PIs. To date, when asked to do NSLs, the ops folks, have not been good about it. So Bassem wanted to know if there was something we could do to force their hand as far as opening up the necessary PIs.
